

www.southtarrantchamber.com

The South Tarrant Chamber is unlike any other...not only because of our members... but because of the businesses we represent. We're a unique blend, as diverse as the communities we work, live and play in.

Our mission is simple:

To help build better businesses through networking, education and exposure. But beyond that, we urge our members to support the economic development and general welfare of all of our members, thereby ensuring the continued success of Forest Hill, Everman, south Fort Worth, south Arlington and our surrounding communities.

HOW WE GIVE BACK TO OUR COMMUNITIES

- Yearly educational scholarships presented to O.D. Wyatt High School in Fort Worth and Everman High School in Everman
- Annual "Superstar Awards Banquet" honoring local educators, police officers and fire fighters, with proceeds supporting our Scholarship Fund.
- Annual Golf Tournament with proceeds benefiting our Scholarship Fund allowing us to continue our mission of helping the young adults of our community attend college.

MEMBERSHIP HAS ITS BENEFITS!

- Networking educational luncheons held from September through June
- Promoting Business-to-Business partnerships, participation in community events and promotion of our members on the chamber website.
- Marketing your business at our annual scholarship awards banquet and golf tournament.

Be a part of one of the fastest growing chambers in Tarrant County... and Build Your Business today!

**South Tarrant Chamber of Commerce
5120 SE Loop 820 - Fort Worth, TX 76140**
